RIEGLE ADVISES BOARD TO STUDY SPACE NEEDS IN H. S. BUILDING

The Gettysburg Joint School Board, which is building its second 20-room grade school building in three years, was warned Monday evening at its September meeting by Superintendent Riegler that the high school building is jammed to capacity.

Pointing out that total enrollment in the Gettysburg schools this fall is more than 150 above that of a year ago, Superintendent Riegler said: "Our high school building is full and our elementary school buildings are also full. I recommend that the Finance and Planning committee continue studying carefully the matter of housing our high school pupils for future years — and those future years are not far off."

The directors were told later in the evening that the new Eisenhower Elementary School is 36 percent complete and all contractors promise they will be able to finish work by next April 1, the completion date set in the contract. The building will be placed in use next September.

Squeezed For Room
Mr. Riegler told the directors that two classes are currently using the library and the cafeteria at the high school as home rooms until remodeling work on two classrooms is completed later this week. Part of the original study hall and the former library room in the old section of the high school were remodeled this summer to form two regular-size classrooms. That work will be finished Wednesday.

"Our school program got off the ground in good shape this fall," Superintendent Riegler said. "I am particularly pleased with our new teachers added to the staff this year. They seem to be of high caliber and are interested. We look forward to a good year."

He had special praise for the schools' custodial staff. "They are to be commended for their work in getting the buildings ready for use on September 3," he said. "Alterations and repairs undertaken during the summer and late-arriving school furniture made it difficult for them

KIWANIS CLUB IS TOLD ABOUT MODERN FARMS

Three percent of the farmers in the United States produce 75 percent of the foodstuffs raised on American farms, Richard Waybright, past national vice president of the Future Farmers of America, told members of the Gettysburg Kiwanis Club Monday evening.

Waybright, who was one of the Jaycees' three outstanding young farmers in Pennsylvania last year, was the speaker for the club's weekly dinner meeting at Banker's Restaurant. President Herbert G. Hamme presided at the meeting.

Waybright discussed the advantages and possibilities for young men in agriculture and pointed out that while only 11 percent of the nation's population is engaged in agriculture, 40 percent work in allied fields. "This forms an important part in the backbone of our nation's economy," he said.

He predicted that in 20 years, only five percent of Americans will be engaged in farming and emphasized the strong trend toward specialization in agriculture. As an example, he cited the fact that twice as much milk is being produced now in the U. S. than 25 years ago with one-fourth fewer cows in production.

The speaker said that every year, an amount of land equal to the area of the state of Rhode Island is taken out of production in this country by industry, building and highways.

Next Monday evening the Kiwanians will go to Hanover for a tour of the Doubleday plant.

Guests Monday evening were Louis Barth, Elmer Lord and the Rev. C. Reynolds Simmons. Visiting Kiwanians included W. E. Yingling and W. W. Menges of Hanover.

FACES CODE CHARGE

Boyd R. Frederick, 65, of York Springs R. 2, was charged with failing to stop at a red traffic light after his car collided with another vehicle at the intersection of Carlisle and Chestnut Sts., Hanover, Sunday at 9:30 a.m. The information was filed by Hanover police before Justice of the Peace William Y. Nail Jr., Hanover. Police said the other car was driven by Robert J. Esley, Hanover. Damage to Frederick's car was estimated at \$75 and to the Esley vehicle at \$200.

Registrations Of Voters Decreases

With only seven persons appearing to register Monday evening, commissioners are hopeful that "business will pick up" during the remainder of the week. The commissioners have set registration periods at the court house daily from 8 a.m. to 12 noon, from 1 to 4 p.m., and from 7 to 10 p.m. this week and next Monday to permit all persons interested in voting in November to register.

SCHEDULE FOR STORES' XMAS HOURS ADOPTED

The Gettysburg Retail Merchants Association, meeting Monday evening at the court house, completed plans for Christmas hours, voted to name three men to the executive council of the Chamber of Commerce, Travel Council and its own association and discussed parking problems.

On Friday, November 28, the stores will begin the pre-Christmas night openings. Each Monday, Wednesday, Friday and Saturday night through the Christmas season the store will be open until 9 o'clock. During the week immediately before Christmas the stores will be open until 9 o'clock each night.

Plans call for the stores to close, as usual, at 6 o'clock Christmas Eve.

On Thursdays during December the stores will be open all day instead of closing at noon.

Street Decorations

Plans for Christmas decorations were discussed but were held in abeyance until establishment of the new executive committee.

Reports were presented on the recent Sale Days which were described as "most successful."

A committee comprising William Musser, Donald H. Hershey and Herbert Raymond was appointed to meet with council members and Burgess Wilbur Plank to discuss the town's new parking regulations and loading and unloading zones.

A calendar for 1959 was discussed.

Sorority Plans To Hold Fashion Show

At the first regular meeting of the fall season of the Epsilon Delta Chapter of Beta Sigma Phi Monday evening, plans were made for the "Night and Day" Fashion Show to be held October 9 at 8 p.m. at the Moose home, York St.

The meeting, which followed a steak dinner at Rosesteel's Park, was held at the home of Miss Mary Baughman, 218 Howard Ave., after which refreshments were served.

The program included a scavenger hunt and a culture program was in charge of Mrs. Ruth Joseph.

The next meeting will be held September 23 at 8 p.m. at the home of Miss Kitty Wenschhof, 266 Barlow St.

12 Are Killed When Two Bombers Crash In Flames

By JERRY O'BRIEN
SPOKANE, Wash. (AP) — A giant B52 jet bombers sliced into the side of another at sundown Monday and both planes crashed in flames near a busy highway. Twelve of the 16 men aboard were killed.

A 200-pound chunk of landing gear sailed through the air, smashed through a service station sign and skidded to rest on the shoulder of Highway 2, a main link between Spokane and Seattle.

The roar of the crash, flying debris and the explosion as the planes hit the ground terrified two fleeing service station attendants and two customers, along with patrons of a nearby tavern. But no one on the ground was hurt.

The eight-million-dollar B52s, prime atom bomb carriers of the Strategic Air Command, were

making routine landings at Fairchild Air Force Base when they collided about 1,500 feet over the highway.

The B52s were carrying some classified materials but officials said these did not include nuclear weapons.

Joe Martella, a service station attendant, said both planes were turning at the time.

"I looked up when I heard a tremendous roar from the engines of one plane," he said. "The pilot seemed to be trying to get out of the way. Then they hit. The wing of one hit the other right behind the cockpit and it looked like it was cut in two." Martella and the station owner, Mike Anderson, ran across the highway and dived into a ditch.

The planes were less than two miles from the Fairchild runway when they collided.

Kindergarten At Church Enrolls 16

The kindergarten at Christ Lutheran Church opened Monday morning with 16 youngsters enrolled and Mrs. Howard Bream in charge. Her assistants are Mrs. C. M. Angorilis and Mrs. Ronald Guise. Drivers are Timothy Robinson and Mrs. Janet Fidler.

The kindergarten will be in session five mornings a week from 9 o'clock until noon.

Additional pupils may be enrolled, Mrs. Bream said.

150 FRESHMEN ARE ENTERING ST. JOSEPH'S

St. Joseph College freshmen, approximately 150 of them, will arrive at the college Wednesday evening to begin the 149th scholastic year of the Emmitsburg institution with a week's orientation activities prior to the official opening of classes.

St. Joseph's will have the largest enrollment in its history, 425 students. Three new teachers have been added to the staff: Dr. Gilbert Oddo will serve as acting chairman of the department of social studies, replacing Dr. William Osborne; Dr. Joseph Solomon will become associate professor of chemistry replacing Dr. Louis Clark, and Rev. Ladislaus Irsanyi, lecturer in religion and philosophy.

Upperclassmen return to the campus Monday and register on Tuesday. The traditional Mass of the Holy Ghost will be offered students and faculty members on September 17 at 8 a.m.

Local Students

Local students expected to enter St. Joseph's this year are Emily Rosesteel, Gettysburg; Mary Elizabeth Sewell, Emmitsburg, and Mary Phyllis Sicilia, Thurmont.

Preceding the opening of classes faculty members of St. Joseph's will meet on Saturday to hear an

Woman Reports Her Car Struck Child

Donald Miller, aged about seven, was reported to police by Mrs. Dale Fidler, Gettysburg R. 2, to have been struck by her automobile while driving on Chambersburg St. Monday afternoon about 1:45 o'clock.

Mrs. Fidler told police the youngster came from between parked cars in front of Christ Lutheran Church while she was driving "very slow" and the front bumper of the car struck the child.

She asked the boy to "stay around" according to a police report, but he "took off." The boy apparently was not injured officers said.

GUARD DRILLS FOR INSPECTION

Howitzer Company, local National Guard unit, continued its training phase Monday evening at the Armory in preparation for its September 29 command inspection by the staff of the 2nd Battalion of the 104th Armored Cavalry.

After a 15-minute testing period covering questions on tactical training, each section underwent two hours extensive training on individual occupation specialties.

The Howitzer and Ammunition sections had a class taught by Sgt. Leroy Shindedecker and SP-3 Nelson Asper on the care and handling of ammunition.

Pfc. Charles Pittman and Pfc. Clyde Funt taught the survey personnel computation problems.

Sgt. Rayford Flesham and SP-3 Charles F. Tressler taught the use of the telephone EE-8 to the field wiremen.

The drivers worked on vehicle operation and maintenance and were supervised by SP-3 Lawrence Fleishman and Sfc. Herman Hewitt.

SP-3 Donald E. Smith and SP-3 John Irvin taught the fire direction center the proper procedure in "Fire for Effect" and misorientation of target grid.

Pfc. Donald E. Forsythe and SP-3 Harry Peters had the radio operators set up and operate receiving circuits.

First Lieutenant Donald E. Doerson, company commander, announced that Sgt. Earl R. Kuykendall, of Arendtsville, had been appointed training NCO until further notice.

ROTARY GIVES TROPHIES TO LOOP CHAMPS

Judge W. C. Sheely praised both the local Rotary Club "and all other local organizations helping youth" and the Rotary Little League baseball team, at a dinner session Monday evening in the YWCA at which Rotary honored the Little League team it sponsors which won the championship of the circuit this year.

At the conclusion of his talk, Judge Sheely and Rotary President David Blocher presented each of the members of the Little League team with a trophy.

A trophy was also presented to Jack Bream who had been the coach a year ago when the team won its first championship. He returned the trophy to the club claiming that the club deserved the honor because of its efforts for the team. Also honored at the dinner were George Bender, coach, and G. Noel Flynn, manager of the team this year.

Dr. Frederick Tilberg introduced Judge Sheely who told the Little Leaguers: "All childhood is a training ground to become an adult. Each experience helps mold our character. Many things can be learned only from books and thus schools are so highly important. But many things can be learned only by actual experience. In playing baseball you undergo experiences by which you learn not only how to be a winner but how to be a loser. It is outstanding training for life, because in life we cannot be the winner always, everyone must experience defeat from time to time."

Paul Zeger reported a profit of \$327.75 from the recent Totem Pole Playhouse presentation sponsored by Rotary. Frank Britcher reported tickets now available for the Chocolate Bowl game between Gettysburg and Bucknell Colleges at Hershey. The Rotary Club will receive \$1.06 toward its charity fund for each ticket sold.

Preliminary plans were discussed for the annual observance of Veterans Day November 11.

Six New Members

First Vice Commander Harold W. Culp reported 226 attended the annual stag picnic Sunday afternoon at Benner's Woods.

Accepted as new members were Frederick Franklin Graeff, 23 Hanover St.; Donald Eugene Cordell, Gettysburg R. 2; Ernest W. Wolfe, Fairfield R. 1; Michael Edward Hickey, Gettysburg R. 4; Ralph Woodrow Starkey, Gettysburg R. 5; Howard Harrison Flickinger, Gettysburg R. 5.

Commander John A. Guise and Adjutant William T. Timmins Jr. led a discussion on plans for the 1959 membership drive. New cards and literature for the 1958 American Legion year are available, they reported, and added that literature on "What the Legion does and is" is available to all members who may wish to pass the literature on to other veterans who are not currently Legionnaires in an effort to interest them in joining.

Robert Baldwin To Be Buried Thursday

Funeral services for Robert Baldwin, 36, Aspers R. 1, will be held Thursday afternoon at 2 o'clock from the Dugan Funeral Home, Bendersville. Baldwin was fatally injured Sunday when his tractor-trailer crashed into the rear of a tractor-trailer loaded with steel, near Cleveland, Ohio.

Interment will be in the Wensville Cemetery. Rev. Norman L. Marden, pastor of the Wensville Methodist Church, will officiate. There will be no viewing.

SEEK PICTURES OF LEGION IN ITS EARLY DAYS

A plea for pictures of Legionnaires and Legion activities during the early days of the American Legion was made by Dr. Frederick Tilberg at Monday evening's meeting of the post at the American Legion Club building, Baltimore St.

Dr. Tilberg, a World War I pilot and historian for the Legion post, said plans are underway to "develop a history of our organization complete to date. The plan is to place the history in a book with pictures of the activities. There must be pictures available of some of the first activities, of the first commanders, of the first meeting rooms, and of such activities as the Junior American Legion drum corps and the 'steam engine' the 40 and 8 at one time paraded. Pictures are also needed of the construction of the present building. We hope that those who may have such photographs will get in touch with me so that the written history may be illustrated with the appropriate pictures."

Preliminary plans were discussed for the annual observance of Veterans Day November 11.

Car Sideswipes Front Of Garage

When Chief of Police Calvin Mummert of Littlestown finds out who was driving the 1950 Buick sedan that sideswiped the front of the Ralph A. White Garage at 15 N. Queen St., Littlestown, about 7:30 o'clock Monday evening, he is going to file an assortment of charges.

After passing between the gasoline pumps and the front of the building where the car smashed a plate glass window and damaged its stainless steel frame, the car drove on north on Queen St., but Ralph White, the proprietor of the garage, got the license number.

Chief Mummert said the number White gave him is for a car owned by Grover Cleveland Zimmerman Jr., Pinksburg R. 1, Md.

Damage to the garage front has been estimated at \$500. The window measured 87x93 inches.

LIONS HOSTS TO GRID COACHES, CLUB'S TEAM

Gettysburg Lions played host to their second-place team in the Little League and to the football staffs at the college and high school Monday evening at the Shetter House and at a business meeting adopted a tentative budget for the year indicating how the Lions will spend a \$2,250 Charity Fund.

President John C. Stahl, presided at the meeting with 97 members and guests in attendance. Howard Shoemaker, varsity backfield coach at Gettysburg College, and Grid Coach Ben Jones from the high school outlined season prospects of their respective teams. High School Athletic Director George S. Forney was master of ceremonies for the program.

Fred Baker, who managed the Lions team in the Little League that finished second back of the undefeated Rotary squad, introduced these players and Assistant Manager Kenneth Sease: Captain Douglas Appler, Captain-elect Eddie Tilberg, Don Baker, Bill Lutz, Barry Sease, James Newman, Gene Schultz, Robert Britcher, Mike Boyer, Thomas Gilbert, Pete Nelson, Ronnie Newman and Mike Baker.

"Good Ball Club"

Coach Shoemaker, who introduced Freshman Coach Jack Ridinger, discussed briefly the new point-after-touchdown rule and said that after two weeks of practice and two scrimmages he believes the college this season will have "a good ball club but whether it will approach last year's record (7-1-1) can be told better about Thanksgiving time."

He described squad personnel and outlined the home schedule.

High school coaching staff members present were introduced by Mr. Forney who noted that the staff there now numbers six men and announced the sale of season reserve seat tickets for \$5. He presented Bob Nicholson, "Spider" coach; Bill Williams, who coaches

AUXILIARY TO HAVE BOOTH AT BLUE-GRAY FETE

Plans to operate a food booth at the North-South Skirmish here October 5 were outlined Monday evening at a meeting of the Auxiliary of the Gettysburg Fire Department held at the former CCC camp on W. Confederate Ave. Further details as to the location of the stand will be worked out later. A two-day encampment of 110 units of the Civil War buffs, who wear authentic costumes and fire Civil War muskets and cannon, will be held.

Miss Jane Stallsmith, president, named the welfare committee to provide food and coffee for firemen when they are engaged in fighting fires over long periods of time. Members of the committee include: Mrs. Robert Heyser, Mrs. William DeHaas, Mrs. Herbert Bowling, Mrs. Francis Garlach and Mrs. John Staub. Members of the auxiliary who wish to volunteer their services for the canteen are asked to notify Mrs. Heyser.

Will Enter Parade

Preliminary plans were made to participate in the Halloween parade. Members were asked to present ideas on the type of costuming at the next meeting.

With receipt of a letter from the Gettysburg Fire Department authorizing the plan, the auxiliary will set up a special fund to purchase kitchen and other equipment.

The October 13 meeting will be held in the form of a Halloween party. Miss Stallsmith appointed Mrs. Donald McSherry to head the refreshment committee and Mrs. Ray Breighner as chairman of entertainment for the meeting.

Members of the refreshment committee for Monday's meeting included: Miss Stallsmith, Mrs. Edward Rinehart, Mrs. Eugene Sanders, Mrs. Robert Redding, Mrs. James Shank and Mrs. G. Henry Roth.

HAUSER REGRETS FRUIT GROWERS PRICE SQUEEZE

Because of the huge apple crop throughout the country processors and growers are striving to set a price for this year's fruit that will compensate them both in harvesting and processing the more than 125 million bushels.

In view of the tense situation John A. Hauser, president of the C. H. Musselman Co., Biglerville, one of the largest apple processors in the county, today issued the following statement: "As one of growers in the Appalachian area, we support the Frederick County Fruit Growers and the resolution they passed at a recent meeting held in Winchester. It is always deplorable when a grower must deliver his produce without a price, either to a processor or on consignment to the fresh market. We, as growers and distributors of fresh peaches and apples, are very much concerned about the future of our industry if growers must

PRODUCTION OF APPLESauce IS IN HIGH GEAR

Opening of the Gardners plant on Monday placed into production all the C. H. Musselman Company's applesauce manufacturing facilities with the exception of a second shift at Gardners scheduled for early October. The Inwood, W. Va., plant has been in full two-shift production since Sept. 2. Starting date for the Biglerville plant on sliced apples is set for Sept. 18.

Even though the three plants are equipped to handle over 45,000 bushels daily and other manufacturers will be processing vast amounts, Musselman officials expressed concern over the possibilities of marketing the huge 1958 apple crop profitably.

126 Million Bushels
Most recent USDA estimate of the crop nationally indicates "apples everywhere." The total for the entire United States has been set at 126,000,000 bushels — 6% more than last year and 16% above average.

The four-state Appalachian area goes way beyond many other sections of the country with a indicated increase of approximately 20 per cent over last year. While apparently all the "stoppers" have been opened for moving apples on the fresh market, it is questionable, with a crop of the current size, whether enough will move through fresh channels to keep from burdening processors with more apples than are needed to make a realistic pack of processed apple products.

40-Hour Week
All shifts at the Musselman Company are again operating on a basic 40-hour week with time and one half being paid to all employees who work over 40 hours per week. Under this plan the Musselman Company gives up its right to a 14-week exemption from paying overtime under the Federal Fair Labor Standard Act for canners of perishable fruits and vegetables.

Employing only local workers, the Musselman operations provide employment for approximately 2,100 additional people from the areas in which the plants operate.

continue to receive prices less than the cost of production.

Must Raise Consumption
"It has been said by leaders in the industry that the only sound and permanent solution to the problems of the apple growers is to raise the per capita consumption of apples, whether it be fresh or in cans."

"The vice president of the largest apple growing organization in the world calls attention to the declining apple consumption situation. Only he and a few others seem to have grasped the true seriousness of the situation."

"It is evident that the problem of having one strong overall organization to guide the industry is of prime importance to growers, distributors, wholesalers and processors."

"It is true that our processing division is operating the Inwood plant on a two shift basis, receiving apples from growers without a price. Our sales division is trying desperately to establish a market for the canned products. However, we, as growers, must recognize their problem of trying to stabilize the canned product prices. The processors call attention to the fact that a tremendous job has been done in promoting and increasing the consumption of canned applesauce. They have proved that people want this product and will pay a reasonable price for it. Why then the poorly financed, low priced packers who take in apples at the lowest possible cost and who must then dump the canned products on the market without a sales program for efficient and profitable distribution? This, we believe, comes about by the lack of organization among the growers."

The meeting opened with members reciting the Object of the Society, pledge of allegiance to the flag, and a prayer by Miss Beulah Wentz.

The committee on patriotic education, Miss Wentz, Miss Beatrice Pfeiffer, and Mrs. James E. Schwenk, spoke on "the duties of every citizen to exercise his privilege and responsibility in preserving our freedom by voting after informing himself on the issues at stake." The committee emphasized the theme for the 1958-1961 period, "Freedom, Our Heritage: Education, Its Defense."

Mrs. Schwenk reviewed the recent book about William Tyler Page who wrote "The American Creed." Page's book wove together the creed from many sources including the Constitution, Declaration of Independence, Lincoln's Gettysburg Address, and writings of a number of great early American statesmen.

TIMMINS OPENS NEW BUSINESS

One of the county's oldest electricians in point of service, has resumed his work with the opening of a shop specializing in repair of small electrical appliances.

William T. Timmins Sr., Buford Ave., who started in the electrical business as a school boy assisting his father, the late Charles A. Timmins, after school hours, has opened "Timmins Electrical Shop" at 48 W. Middle St. as a repair center.

A veteran of both World Wars, Mr. Timmins began his full-time work as an electrician in March, 1919, after returning from service in World War I. As an employee of the H. and T. Electric Co. he helped wire some of the largest buildings in the county, and some of the oldest, including the Annie M. Warner Hospital, Hotel Gettysburg Annex, Jennie Wade House, Lee Museum, YWCA and the Graeffenburg Inn.

During World War he received, in 1941, appointment as a chief warrant officer in charge of electrical work aboard ship and at shore stations. Among his work was the installation of electricity at Admiral Nimitz headquarters on Guam. Associated with the electrical business all his life, Timmins was for many years associated with the M. A. Hartley and Co., electrical wholesalers on Carlisle St., retiring recently as manager of that concern.

TAIPEI, Formosa (AP) — With U.S. help the Chinese Nationalists can keep the Quemoy islands supplied despite "a relatively determined effort by the Chinese Communists" to blockade the beleaguered outposts, Vice Adm. Wallace M. Beakley said today.

The commander of the U. S. 7th Fleet in the Formosa Strait indicated, however, that U.S. help at present consists in escorting Nationalist supply convoys no closer than within three miles of Quemoy.

NEWPORT, R.I. (AP) — President Eisenhower today sized up the Democratic sweep in the Maine elections as a Republican party beating there is no use trying to disguise.

Eisenhower's reaction of disappointment was reported to newsmen at the summer White House by press secretary James C. Hagerty.

Hagerty spoke shortly after the Republican National Committee in Washington had supplied Eisenhower, at his request, with final returns on the Maine contests.

Democrats in the state won a U. S. Senate seat for the first time in 47 years. They also retained the governorship and scored other major triumphs.

The outcome dealt a great blow to Republican hopes for recapturing control of Congress. At a news conference, Hagerty brought up the results in Maine. "I haven't anything to say except that the Republicans took a beating," Hagerty commented, adding wryly:

WASHINGTON (AP) — Democratic National Chairman Paul M. Butler interpreted the Maine election results today as a sign of a strong Democratic trend in the nation.

"The people are sick of drift and indecision and are eager for firm leadership," Butler said. His statement added that the Democratic victory in the one "demonstrates that there is a strong national trend favoring the Democratic party."

BUILDING PERMITS

Burgess Wilbur Plank issued the building permits today to the following: R. B. Kitzmiller, 300 W. Middle St., to place aluminum siding on a house at a cost of \$1,600, and Philip Neth, Johns St., to erect a frame house and car-port, 44 by 24 feet at a cost of \$5,000.

blood from cuts of the femoral artery and vein of the left leg. He said Exhibit 13, a paring knife, "could have been the weapon that caused the cut in the left thigh and cut through the vein and artery."

The incision, he said, was made on the left thigh halfway between the knee and hip and halfway between the top and bottom of the leg. Mrs. Light's body was covered with bruises, he said. He added that examination of her blood showed 3.5 milligrams of alcohol per cc. of whole blood. The degree of intoxication of persons varies in accordance with their tolerance to alcohol, Dr. Smith said, "but statistics show that between 90 and 95 per cent of all persons with 3.5 milligrams of alcohol in their system per one cc. of whole blood would be intoxicated."

Dr. Smith, a graduate of Gettysburg College, is a son-in-law of Dr. and Mrs. W. C. Waltemyer.

Miss Morgan's Testimony
Marilyn Morgan, W. High St., testified that Mr. and Mrs. Francis Light had been at the home of Mrs. Lulu Sears, W. Middle St., about 2 o'clock on the afternoon of July 7, the day Mrs. Light died. She and Duckery Brooks, Fairfield, who had also been at the Sears home that afternoon, said neither Mr. nor Mrs. Light gave evidence of having been drinking at that time and that there were no bruises on Mrs. Light's arms or face that could be noticed. Dr. Smith had testified that the multitude of bruises on Mrs. Light were made prior to her death and within 24 hours of her death.

Both Miss Morgan and Mr. Brooks testified that Mrs. Light appeared frightened about leaving the Sears home and that Mr. Light pushed her out the door when the couple left.

Both said Mr. and Mrs. Light came into the Sears home in search of a footlocker of Mrs. Light which contained her clothing. When the search failed to reveal the footlocker, according to Brooks' testimony, Light told his wife, "That's another one of your damn lies."

Coroner On Stand
Dr. Donald Withers, Hanover area deputy coroner, told of finding Mrs. Light's body stuffed in the trunk of a car in Penn Twp. on the night of July 7. He identified pictures taken at the scene by state police.

Gary R. Light, Hanover R. D., son of Francis Light and stepson of the deceased woman, told of lending his wife's car to his father. When he returned about 7:30 o'clock on the evening of July 7 to secure the loaned car, he found his father "playing with a table knife" and "apparently very nervous." He asked what was wrong. His father told him that he had accidentally killed the stepmother, and had placed her body in the trunk of the car. Gary Light said his father at that time told him that Mrs. Light had attempted to strike at him with a paring knife, that he had attempted to deflect the blow and the knife entered the woman's leg and caused her death from bleeding. Gary Light said his father cautioned him against telling anyone but after he had left his father he went to his own home, talked the matter over with his wife, and then they went to the Hanover police to report the incident. Police then accompanied the younger Lights back to the place where the car was parked near a diner and the body was found.

BIGLERVILLE'S GRANGE ELECTS

Arthur Ebbert, Biglerville R. D., was elected as the new master of the Biglerville Grange No. 2063 Monday evening at a meeting of 28 Grange members at the Biglerville Grange hall, near Biglerville. He will succeed George McFeater, Gettysburg R. D., when the new staff of officers is installed October 4.

The other officers named Monday evening include: Earl Smith, Biglerville R. D., overseer; Mrs. Dorothy Heckman, Biglerville, lecturer; James McDannell, Biglerville R. Littlestown REV. KARNS IS ELECTED HEAD OF MINISTERIUM

New officers were elected, plans were made to sponsor an essay contest and various religious services were scheduled at the bi-monthly meeting of the Littlestown Ministerium on Monday morning in St. Paul's Lutheran Church.

The Rev. William C. Karns, pastor of St. John's Lutheran Church, is the new president; the Rev. Glenn Flinchbaugh, pastor of Redeemer's United Church of Christ, vice president and the Rev. David S. Kammerer, pastor of St. Paul's Lutheran Church, secretary-treasurer.

The session was conducted by the retiring president, the Rev. G. Howard Koons, pastor of Christ United Church of Christ. The opening prayer was given by the Rev. Mr. Karns. The Rev. Mr. Flinchbaugh was acting secretary. The Rev. William R. Jones, new pastor of Centenary Methodist Church, was welcomed into the ministerium.

The pastors decided that the ministerium will sponsor a yearly essay contest among the students of the junior class of the Littlestown Junior-Senior High School. The subject of the essays will be "What My Church Means to Me" and essays will be limited to 1,000 words. Prizes of \$15 and \$10 will be awarded at the annual awards assembly at the high school in the spring. The president appointed the Rev. Mr. Flinchbaugh chairman and the Rev. Mr. Karns to serve as an essay committee. The committee was authorized to bring to the next Ministerium meeting a qualifying statement of the rules and regulations for the contest.

The local ministers were asked to provide the speakers for the 8:30 a.m. devotional program on radio station WHVR, Hanover, for the week of October 20. The following schedule was accepted: Monday, Pastor Flinchbaugh; Tuesday, Pastor Jones; Wednesday, Pastor Koons; Thursday, Pastor Karns; Friday, Pastor Kammerer.

Plans were made to hold the annual Thanksgiving service on Wednesday, November 26, at 7:30 p.m. in St. Paul's Lutheran Church. The host pastor, the Rev. Mr. Kammerer, will preside for the community service, and the sermon will be delivered by the Rev. Mr. Flinchbaugh. The host church will provide music. The evening's offering will be contributed to Mt. Alto Sanatorium.

Plan Fall Series
Preliminary plans were discussed for the annual preaching mission of 1959 to be held each evening during the first full week in January, January 6 to 10, beginning at 7:30 p.m. in St. Paul's Lutheran Church. The Rev. Dr. Viggo Swensen, pastor of Zion Lutheran Church, Harrisburg, is to be the mission speaker, pending his acceptance. Details concerning the mission services are to be announced later.

The annual fall series of union vesper services were arranged as follows: Sunday, November 2, 7:30 p.m., in St. John's Church, the message will be brought by the Rev. Mr. Flinchbaugh; November 9, at St. Paul's Church, the annual community Armistice Service for which a guest chaplain will be secured November 15, in Centenary Church, the speaker will be provided by the host church; November 23, at Redeemer's

"THE MORNING CALM"

There's beauty in the morning calm . . . beyond all flowery phrases . . . the rising sun splashes the sky . . . with rainbow-colored hazes . . . tender as a baby's touch . . . is this enchanted time . . . when the world begins to wake . . . from a slumber sublime . . . it's a quiet interlude . . . staying just a while . . . space when meditation . . . paves each weary mile . . . like a pool of solitude . . . wherein angels dwell . . . holding precious secrets . . . God alone can tell . . . would that I could take this calm . . . with me through the day . . . I am sure life's road would be . . . a much smoother way . . . for it seems to soothe my heart . . . with heavenly balm . . . such is my conception . . . of the morning calm.

Letter To The Editor

September 4, 1958

Dear Mr. Editor:

Thank you for the opportunity to voice an opinion on the new lights for Gettysburg. I have been reading the various comments that you have published. I think the subject is important enough for our citizens to form some opinions in this matter and express themselves. Let's not wait until it's too late, as one of your correspondents said, and be forever griping about the lights in the square.

Looking at the situation from both sides, I agree with the group that feels that we do not need new lights in the center of town. We need them in the now poorly lighted sections. New lights in these areas would be good planning for the future.

Checking the center of town in the evening you will note that it is well lighted from the present lights. Additional lighting is also provided by the many store windows along the way. True some of the light is wasted, by going up in the air or at some building front. This could be corrected by the purchase of some new light units for the present poles. I suggest the borough council look into the possibility. I further suggest the borough council contact other towns, such as Williamsburg, Va., and find out how they solved the problem.

Perhaps the existing poles could be painted flat black and a light unit of such design that is adequate yet in keeping with the Civil War motif be affixed on top of the present poles. I do not think this would require a large sum of money to be spent, certainly not as much as is being contemplated for the new lights.

To me this type of period lighting is important to Gettysburg. It creates the atmosphere that the tourist expects when he visits here. Many of us, including myself have been trying to recreate in downtown Gettysburg some of the charm and dignity that we all as Gettysburgians love and want to see preserved. Gettysburg has a heritage that must be kept alive and proper type street lighting is as important as any other facet of our town's history.

I urge our citizens to voice their opinions in this matter so that our borough council can be better guided in their decision.

Sincerely yours,
Walter B. Lane

Church, sermon by the Rev. Mr. Jones, and November 30, at Christ Church, the message by the Rev. Mr. Kammerer.

The Rev. Mr. Jones suggested that Dr. William W. Edel, president of Dickinson College, Carlisle, be invited to bring the sermon for the Armistice service on November 9. The recommendation was approved by the ministerium.

The ministerium voted to pay Ralph C. Unger Jr. for his services at the Daily Vacation Bible School which was conducted in the E. King St. school building in June.

The meeting was adjourned with prayer by the Rev. Mr. Jones. The ministerium will meet again on Monday, November 10, at 10 a.m.

Apple Spray Letter Mailed By Zettie

County Agent Frank S. Zettie has sent a special apple spray letter to growers suggesting a spray to combat the red-banded leaf roller. Observations show adult moths in flight and some eggs deposited, Zettie said, adding "The larvae can cause serious injury on apples at this time." He suggested use, by September 15, of a spray consisting of one pound of a 50 per cent wettable powder TDE (Rothane) in 100 gallons of water. For concentrate sprays three pounds of the TDE should be used.

MAKE PLANS FOR FALL SEASON

"As the crisp weather approaches it is time to reorganize the 4-H program for Fall and Winter with a leader training meeting on dried arrangements and plaques," Mrs. Helen D. Tunison, associate home economist said in a letter to 4-H leaders sent from the local extension office.

Specialist Lynn Bracken, from Penn State University, will assist in selecting a leader and an assistant from each club. The meeting will be held at the Barlow fire hall September 17 from 10 a.m. to 3 p.m. Each leader is asked to bring her lunch as well as articles to make, which include: dried flowers, weeds, grasses, branches, twine cutters, flower holders, scissors, sand and a container for the arrangement.

In the letter Mrs. Tunison also said additional project literature will be mailed to leaders soon and the first organizational meetings will be scheduled also.

the junior varsity; Don Bickel, the line coach, and then Head Coach Ben Jones.

134 Out For Football

Jones said there are 134 junior and senior high school boys out for football, a marked increase over a year ago, and listed these probable starters Friday night in the opener at Westminster: Mike Small, Robert Grosholtz, Ken Kimpke, Bill Rentzel, Bobby Nelson, Roy Coldsmith, Eddie Simpson, Joel Riddlemeyer at quarterback, Tom Crist, Billy Shoemaker and Teddy Fair at half and Bob Furney at fullback.

"Our team looks very good," Jones said, but pointed out that some of the other South Penn teams also have very good prospects, mentioning Carlisle and Hershey, particularly.

The club adopted a proposed budget for the year with the amount of the largest gift from it still in doubt. The budget proposed a \$1,000 donation to the Community Chest, equalling last year's sum, but several members urged an increase in view of the higher total being sought by the Chest this year. Fixing the amount of the Chest gift was deferred. Other larger sums on the list included a tentative gift of \$500 for the Warner Hospital, \$150 for light conservation, \$125 for Little League baseball and 17 other charities listed to get from \$1 to \$25 each.

\$325 From Brooms
A near-final report on the recent broom sale by the Lions for the benefit of the Charity fund showed a profit of \$325.72 with a few brooms yet to be paid for.

Perfect attendance pins were distributed to 45 Lions during the evening covering the record of their last year of club meetings.

E. J. Nowicki Jr., program chairman, was in charge of arrangements and presented Mr. Forney. Committee meetings were held after the general session.

COMMITTS SUICIDE

DOYLESTOWN, Pa. (AP) — A Doylestown man who failed to appear at a hearing Monday on reckless driving charges was found dead of a self-inflicted bullet wound in his apartment.

Bucks County Coroner Thomas C. Lamb said Paul E. Furst, 68-year-old retired bartender, committed suicide.

HANNAH LEVAN WINS 2 FIRSTS AT HORSE SHOW

Miss Hannah LeVan, 14, daughter of Mr. and Mrs. LeRoy A. LeVan, Gettysburg R. 1, rode two first place winners in the 11th annual South Mountain Fair Horse Show, Saturday at the fairgrounds. Miss LeVan is in the 9th grade at Gettysburg Junior High.

Miss LeVan, riding Raflet, captured the large pony class and came back in the 20th class to take co-honors for pairs, her partner being David LeVan on Thunderette.

RIEGLE ADVISES

(Continued From Page 1)

but each building was in good shape to start school." He invited directors to inspect Meade school where new floors were laid throughout the building.

Applications Received

The board referred to the property committee 18 applications for the proposed position of director of buildings and grounds. The committee will review the applications and make a later recommendation to the board.

Enrollment figures for the local schools, which change daily, were reported as 1,325 in the elementary grades and 1,153 in the high school, each a new record high.

The board opened three bids on the fuel oil supply for the high school and awarded the contract to Shipley-Humble of York at its lowest offer of 9.03 cents per gallon of No. 4 fuel oil. The Aero Oil Company's bid was five-thousandths of a cent per gallon above the York offer. The York firm was given the contract after Attorney John A. MacPhail told the board they had the choice of rejecting all bids or accepting the lowest offer. A third bid of 9.88 cents per gallon was read from J. C. Hartman and Sons.

Coal Bid Awarded

The board also awarded the contract for the coal supply for the Lincoln School to John P. Kooz of Hanover at his low offer of \$9.20 per ton. There was also an offer of \$9.48 per ton from Keystone Coal Sales Company of Harrisburg. The contract was given to Kooz on a roll call vote.

Business Manager Kenneth G. Reinhardt Jr. said about 70,000 gallons of fuel oil will be bought under the new agreement and about 70 tons of coal.

A request from the Gettysburg Recreation Board that provision be made in the grading of the Eisenhower School grounds for a youngsters' baseball field was referred to the finance and planning committee for study and recommendation. Possible extra cost and the necessity for getting school authority agreement to changes in plans were cited as matters to be taken into account by the committee.

Grading work at the school grounds is 65 per cent complete, Buchart engineering representatives told the board. The general contractor is getting work on the new school closer to schedule, reports showed. The heating contract is 10 per cent complete; plumbing, 35 per cent, and electrical, 15 per cent.

Scout Plan Approved

A request of the Adams County Girl Scout Council for use of the cafeteria and general purpose room at Keefeauver School for an annual dinner and meeting October 14 was granted.

Bills Approved

Bills totaling \$25,618 were approved for payment. The school district at the beginning of the month had a bank balance of \$46,378, according to the monthly statement submitted by the treasurer, the Gettysburg National Bank. Tuition payments in the last month totaled \$30,000 and the district received \$2,421 in state appropriation. The month's expenses came to \$41,341.

Superintendent Riegler reported that the hydro-pneumatic system installed this summer in the old section of the high school building is "serving its purpose well" and has restored desired pressure in water lines there.

Substitute Teachers' List

Mr. Riegler also told the board that he has been in communication with Dr. William S. Hart, director of the Gettysburg Symphony Orchestra, in connection with the latter's proposal for providing symphony concerts for local school pupils. No plans are ready to submit to the board, he said.

Swope, LeRoy H. Winebrenner Farm. Gentlemen's Pleasure Horse: One For You, Bill Preston, Preston and Bennett; Poncho, Joseph Davis (owner and rider); Rusty, Robert Barbour (owner and rider).

Open Pony Roadster: Little Jo Jo, H. M. Hutchinson, Hutchinson Furniture Store; Mighty Mouse, B. R. Noggle (owner and rider); Billie Silver Star, William Brehm, Hutchinson Furniture Store; The Intern, B. R. Noggle (owner).

Open Five-Gaited Horse: Sparkling Hi Ball, W. Preston Howard (owner and rider); Scotland's Little Man, Walter Jacobs (owner and rider); Penny's Queen, Dr. Bruce Wolff (owner and rider); and Dolly, Wilmer Barnes (owner and rider).

Pairs: Thunderette, David LeVan (owner and rider), and Raflet, Hannah LeVan (owner and rider); Royal Lady, Pat Timlin (owner and rider), and Poncho, Joseph Davis (owner and rider); Bill, Ralph Shetter (owner and rider), and Champ, Marshall Tuckey (owner and rider).

mit to the board, he said.

The following were approved as a list of substitute teachers for the high school: Dr. John Anderson, Mrs. Bernice Bailey, Mrs. Betty Ecker, Mrs. Elizabeth Hull, Miss Ruth McIlhenny, Mrs. Edith Reinhardt, Mrs. Grace Sheely and Mrs. Mary Lou Burkholder.

This list was approved for the elementary grades: Mrs. Mabelle Pomey, Mrs. Ann Freed, Mrs. Linda Hallberg, Miss Florence Higgins, Mrs. Gladys McCauslin, Mrs. Sally Musselman, Mrs. Barbara Schadel, Mrs. Margaret Scott, Mrs. John Weaver and Mrs. George Wolfe.

The board accepted the resignation, received the week before school opened, of Mrs. Patricia McCardle Brown, who taught for the last two years at Keefeauver school. Superintendent Riegler said a capable substitute is serving in her place and a competent permanent replacement is being sought.

Improvements Reported

The superintendent reported to the board on the completion of the placing of new floors at Meade School and the installation of a walk-in refrigerator at the Keefeauver kitchen. He said the hot lunch program at Lincoln and Meade schools is going smoothly and that grade and high school cafeterias have been serving up to 2,100 meal each school day.

Pleased With Classroom TV

The board ratified committee actions last month in the awarding of the contract to Shryock's Television Service for eight classroom sets for \$1,276 and on the contract with the J. R. Weaver Company for the compressor and fan installed in the new walk-in refrigerator. That cost was \$552.14. Both contracts were awarded as the best offers after competitive bids were secured.

Superintendent Riegler reported the "television science lessons were received very well this morning. The pupils in the room I visited were alert, interested and very attentive. I believe the lessons will prove to be an important incentive toward pupil interest in the world about them." The lessons were received in all sixth grade rooms and by two special education classes Monday.

President R. D. Wickerham presided at the meeting which adjourned in 70 minutes, making it one of the shortest board meetings here in many months. Adjournment came at 9:35 p.m.

Littlestown CUB SCOUTS TO SEE BASEBALL AT BALTIMORE

The Cub Scouts of Pack No. 84 will enjoy a baseball game in Baltimore on Saturday afternoon, September 20, when the Orioles meet the Yankees. The group will leave town at 11:30 a.m. from the rear of the E. King St. School building. Drivers are needed for the trip and parents wishing to furnish transportation should contact Cubmaster Stewart N. Long or Beaven F. Hanlon. Cubs will be admitted to the ball park free; there will be an admission charge for adults.

"Let's Get Acquainted Night" will be the program theme at the September meeting of the Junior Woman's Club of Littlestown on Wednesday, 8 p.m., in the social room of the Eagles home. The program is being arranged by the membership committee, Mrs. Kent E. Daum, chairman. A membership drive will also start at the session tomorrow.

The Ladies' Aid Society of St. Luke's Union Church, near White Hall, will meet at the church on Wednesday at 8 p.m. The program committee is composed of Mrs. Samuel J. Snyder, chairman, Mrs. Clair Snyder, Mrs. Robert Spangler, Mrs. Glenn Whisler, Miss Donna Whisler and Mrs. Percell Worley.

Plan Corn Bake

A corn bake will be held in connection with the September meeting of the Littlestown Fish and Game Association, Inc., Wednesday evening at the Fish and Game Farm, near town. Arrangements are in charge of W. E. Stites, Elmer W. M. Dutera, Edgar H. Degroff and Earl Brumgard. Members are asked to come to the farm early in the evening.

Twenty-five young people were present at the first fall meeting of the Luther League of St. John's Lutheran Church held on Sunday evening in the church social hall.

The program was as follows: Hymn singing by the group, accompanied by Joyce Strevig; Scripture reading, Kathy Miller; prayer, the Rev. William C. Karns, pastor, John Groff, president, presided for the business session, when reports on the Central Pennsylvania Luther League Synodical Convention were heard from Shirley Leister and Susan Strevig. Richard Motter was appointed to be the leader for the meeting next Sunday at 6 p.m.

The Boy Scouts of Troop No. 84 have changed headquarters for the weekly meetings. The Regent Theater building on W. King St., owned by the local VFW Post, is being dismantled. Starting on Wednesday at 7:30 p.m., the Scouts will meet in the grove pavilion of St. John's Lutheran Church. A

TWO FATALITIES OVER WEEKEND

Terrey Ray Brown, 14-year-old Blue Ridge Summit boy, died Monday at the Waynesboro Hospital of brain injuries sustained Sunday when the car in which he was riding hit a tree on the Beartown Rd., just north of the Sunshine Trail intersection.

His brother, Barry Lee Brown, 17, driver of the car, suffered severe internal injuries and face and head lacerations in the crash.

State police said that the crash occurred about 3 p.m. when the driver apparently lost control of the car. The boys were taken to the hospital in the Blue Ridge Fire Co. ambulance.

Another Franklin County, Charles Edward Harmon, 30, Greenacres R. 3, died in a Sunday crash on Route 15 in Maryland. Harmon, father of four, was the driver of a car which was involved in a crash with the tractor of a tractor-trailer rig.

Aaron Bittiger, 30, Hagerstown, identified by Maryland State troopers as the driver of the tractor. Mrs. Harmon and two Harmon children were admitted to Washington County Hospital with injuries.

State and local police in Franklin County had a busy weekend. In addition the crash which resulted in the death of the Brown boy, ninth 1958 traffic fatality in the county, police investigated no less than half a dozen other less serious highway accidents.

Board of Review will be conducted and plans will be made for the fall Appalachian Trail Hike.

Auxiliary To Install
Installation of officers will take place at the first fall meeting of the Ladies' Auxiliary to the Ocker-Snyder Post No. 321, American Legion, at 8 o'clock tomorrow evening at the Legion Home, E. King St.

The Starr Bible Class of St. Paul's Lutheran Church will have a corn bake on Wednesday at the home of Mrs. Irvin R. Kindig, near town, at 6:30 p.m. The hostesses will be Mrs. Edna Fortney, Mrs. Mabel Benner and Mrs. William Feeser. This meeting will replace the session scheduled for the last Thursday of the month.

A family picnic was enjoyed by the Eta Tau Chapter of the Beta Sigma Phi Sorority on Saturday at the Walter D. Shoemaker cottage, near Fairfield. Following the picnic lunch, there was swimming, boating and games. The Eta Tau chapter will hold its first regular meeting of the fall this evening at 8 o'clock at the home of Mrs. Bernard Little, W. King St. Miss Charolyn Groff will be the leader.

PIRATES GAIN IN 2ND PLACE CONTEST IN NL

By ED WILKS
Associated Press Sports Writer

The Pittsburgh Pirates, who haven't been this high in National League standings since 1944, opened a three-game showdown for second place tonight with the slumping San Francisco Giants.

The Pirates took a 2½ game hold on the runner-up spot by beating Cincinnati 4-1 Monday night in majors. That means the Giants, who have lost five of their last six, must sleep at Pittsburgh to regain second place in the standings.

They'll complete a suspended game of July 27 tonight before starting a regularly scheduled game. Play resumes with the score tied 3-all and the Bucs at bat in the eighth inning.

Porterfield and Witt
Right-hander Bob Porterfield (2-6) is Manager Danny Murtaugh's choice for the completion of the six-week old suspension for the Pirates, who have won six of their last nine. Righty Paul Giel (4-4) is the Giants' choice.

In the regularly scheduled game, the Pirates, who stand 9-10 against the Giants for the season, will go with rookie right-hander George Witt (8-2) against Stu Miller (5-7). Witt, who shut out Milwaukee 1-0 in 10 innings with a five-hitter in his last start, has won six straight. No one has won seven in a row this season in the NL.

It was Curt Raydon, another rookie right-hander, who beat the Redlegs. Although giving up only four hits, he needed Don Gross' hitless mop up after the Reds scored an unearned run in the seventh on a pair of errors by Dick Stuart.

First Hit For Raydon
Raydon (8-4) also singled for his first major league hit, in 36 at bats, during a three-run Pirate fifth against loser Tom Acker (3-3).

Roberto Clemente hit three triples, tying the modern major league record for one game. He's the 31st major leaguer to do it.

The first place Milwaukee Braves, now seven games ahead, are at home tonight with Curt Willey (6-5) facing Cincinnati's Alex Kellner (5-3). Any combination of Milwaukee victories and/or Pirate defeats totaling 10 gives the Braves their second straight pennant.

Los Angeles Vs. Phillies
The Chicago Cubs, who just swept three from San Francisco, are at St. Louis behind either Dave Hillman (4-7) or Taylor Phillips (7-4) tonight. Sam Jones, the first to strike out 200 in the NL since 1941, goes after his 13th victory for the Cards. He's lost 11.

Los Angeles and the last place Phillies also have a July 27 game to complete at Philadelphia. It's Johnny Klippstein (5-5) for the Dodgers in the suspended game. The Phils, leading 2-1 in the sixth inning, will go with Jim Hearn (4-3). Dodger Sandy Koufax (10-9) is the probable starter against Ray Semproch (13-9) in the regulation game as the Phils try to halt their losing string at seven.

Eastern Pro Court League Lays Plans

SUNBURY, Pa. (AP)—The directors of the Eastern Professional Basketball League came to Sunbury today to complete their plans for the 1958-59 season.

The top item on the agenda was whether to accept immediately the applications of four cities for franchise in the league. That subject was to be acted on following completion of the playing schedules at an evening meeting.

The cities seeking entrance are Providence, R. I., and Bridgeport, New Haven and Waterbury, Conn. The present team lineup is Baltimore, Rochester, N.Y.; Wilkes-Barre, Scranton, Easton, Allentown, Williamsport, Sunbury and Hazleton, all in Pennsylvania.

Monday night Harry Rudolph, league president, said possible expansion of the league may be put off until next year to permit reorganization of the loop into two divisions.

KING HILL, Idaho (AP)—Last Friday westbound truck driver Jack Woody of Lakeland, Fla., appeared before Justice of the Peace Lynn Sherman and paid a \$10 fine for an overweight load. Woody passed through King Hill again Monday on his return trip. Same story, same load, same judge, same fine.

MANY TITLES IN AL NOT YET CERTAIN FOR '58

By ED WILKS
Associated Press Sports Writer

The American League season has only two weeks to run, but the batting, home run, runs-batted-in and strikeout champions still are undecided.

Pete Runnels of the Boston Red Sox leads in the bat race with 322. Mickey Mantle of the New York Yankees leads in home runs with 39. Jackie Jensen of the Red Sox is tops in RBIs with 113. Early Wynn of the Chicago White Sox leads in strikeouts with 155.

The batting race is a five-man battle. Runnels, 30, has a 5-point spread over Bob Cerv of Kansas City (318) with Vic Power, Cleveland, and Harvey Kuenn, Detroit, tied for third at 317.

Ted Is Fifth
The fifth man is Ted Williams of the Red Sox, who took the 1957 title with 388. Williams, 40, figures to get back into the thick of it tonight, after a 15-day layoff because of sickness.

Neither Runnels, Cerv, Kuenn nor Power ever has won an AL batting title.

Mantle's only serious competition for the homer title appears to be Roy Sievers of Washington, the defending champ. Sievers has hit. He won in 1957 with 42. Mantle has 16 games to play, Sievers has 18.

Chance For Sievers
Sievers also has a shot at retaining the RBI title. He won with 114 last season and has 100 at present. Jensen, the leader for the past two months, has driven in only three runs in his last 13 games. Sievers has brought home seven over the same span. Rocky Colavito of Cleveland is third with 98.

Wynn took the strikeout lead last Friday, breaking a tie with Yankee Bob Turley, who has 153. Jim Bunning of Detroit, who set the one-game high for the season by fanning 14 Yankees June 20, is third with 144.

The Yankees, incidentally, should wrap up their ninth pennant in 10 years sometime this weekend. Any combination of Yankee victories and/or White Sox defeats totaling six does it.

Only one game was scheduled in the major Monday. Pittsburgh won it, beating Cincinnati 4-1.

Major League Stars

By THE ASSOCIATED PRESS
Hitting — Roberto Clemente, Pirates, tied the modern major league record with three triples, driving in one run and scoring another, in 4-1 victory over the Redlegs.

Pitching — Curt Raydon, Don Gross, Pirates, rookie Raydon won his eighth with a four-hitter and Gross' hitless, three-inning mopup in 4-1 victory after two errors had given the Redlegs an unearned run in the seventh inning.

LEXINGTON, Ky. (AP)—Fire Capt. William Tuttle spotted a car with burning brakes as it went by the fire station. He jumped in a truck, overtook the auto three blocks away and extinguished the fire.

EXPANSION OF MAJOR LEAGUES LACKS BACKING

By JOE REICHLER
Associated Press Sports Writer

CHICAGO (AP)—Baseball Commissioner Ford Frick was definitely on notice today that the National and American leagues have no immediate interest in expansion.

Frick had hoped to use today's joint session as a sounding board for his long nurtured idea of 10-team leagues, which eventually would blossom into three eight-team circuits. However, he has been told in no uncertain terms that the time for expansion is not yet ripe. In fact, it may be a long time off.

Unanimous Stand
The American League, in a special session Monday, unanimously opposed spreading out beyond its eight clubs.

As Frank Lane of Cleveland put it, "There was absolutely no sentiment for expansion on the part of any club."

The National League, which Frick hoped, and still hopes, would reincorporate New York into its charter and add another large city, did not even bother to hold a meeting. There was a sort of get-together, but the business concerned only schedule making for 1959.

Two In Favor
Only two clubs—Milwaukee and Chicago—a strongly favor expansion. The others are either dead set against it or don't care one way or another.

National League President Warren Giles explained why he didn't even bother to call a meeting to discuss possible expansion.

"In the first place," he said, "Expansion will require unanimous consent of the members. I've never heard any sentiments expressed sufficiently for me to believe that we could get a unanimous vote. And even if we did get it, then there would have to be three-quarters assent to decide which two cities would be accepted as members."

CLEVELAND HAS 2 CANDIDATES FOR MVP HONOR

By LARRY FRIEDMAN
CLEVELAND (AP)—The Cleveland Indians—way down in sixth place and having trouble pulling fans through the home gate—have a pair of young players Manager Joe Gordon believes should be high in the running when the American League's most valuable player is chosen.

If you high-rate base hits, dash on the basepaths, and fancy Dan infielding, your preference between the two would be Vic Power, who will be 27 next November.

Has 34 Homers
If you're a long-ball lover and put a high premium on runs batted in, Rocky Colavito, the Tribe's strong-armed, 25-year-old outfielder, would be your man.

Just three months ago, Colavito was on the trading block. Now he has 34 home runs, 96 runs batted in and a .297 batting mark.

Power's current .317 is the third best average in the league, and only six points behind the leader, Pete Runnels of Boston. He is tops in the junior circuit with nine triples, third in total hits with 167 and second in doubles with 34.

Speaks In Superlatives
Gordon speaks in superlatives when discussing his two stars.

On Rocky: "The Indians won't have to worry about right field for the next 10 years. He could be a 50-home run-a-year man if he ever learns to pick his pitch."

On Power: "He was born to play ball. He's a natural. He knows what to do instinctively. He always gets a piece of the ball. He's the best hit-and-run man I ever saw. Never strikes out, always protects the runner."

FINSTERWALD WINS UTAH OPEN

SALT LAKE CITY (AP)—Dow Finsterwald of Tequesta, Fla., who prefers a non-sensational finish in the money rather than gamble for first, played his cautious brand of golf Monday and slipped into the championship of the \$17,000 Utah Open.

He carded a 66 for a 267 total and \$2,000 first money.

Finsterwald, a 1958 PGA champion, trailed Fred Hawkins of El Paso, Tex., by two strokes — 201 to 199—going into the final round of the 72-hole affair at the Salt Lake Country Club.

But Hawkins' putter went cold on the 15th and 16th holes. Finsterwald caught him with pars.

On the canyon-crossed 18th, Finsterwald played two careful shots to the green. Hawkins gambled with a long wood over the canyon but was short with his approach and long on a pitch. He parred for a 69 and a 268 total.

Hawkins split second and third money with Arnold Palmer of Lat-

Blaik's Long Grey Line Gets Thinner

WEST POINT, N.Y. (AP)—Two weeks have passed since army began football preparations for 1958 and already the problem of depth has magnified the long thin line behind Coach Earl Blaik's solid first team is getting thinner.

Initial casualty on what is generally considered the starting lineup is Bill Carpenter, a brilliant pass chaser from Springfield, Delaware County, Pa. Carpenter suffered a compound dislocation of the middle finger on his left hand and will be out 10 days.

NICKLAUS BARS WARD'S PATH TO AMATEUR RECORD

By JACK STEVENSON
SAN FRANCISCO (AP)—Two-time United States Amateur champion Harvie Ward starts his comeback today against a confident blond collegian from Ohio State.

Ward drew a bye as the 1958 National Amateur tournament opened Monday. He faces a tough test today in 18-year-old Jack Nicklaus, the 1958 Trans-Mississippi king. Should Harvie win, he'll tie the record of the great Lawson Little of 15 consecutive match play victories in this tournament.

Ward won in 1955 and 1956 but drew a year's suspension in 1957 for expense money irregularities. He's favored today, but Nicklaus isn't aware of his opponent.

Nicklaus Beats Baird
Nicklaus beat Richie Baird of Fresno, Calif., 3 and 2 after shooting a one-over par 36 over the rugged, hilly Olympic Country Club Lake course with its par 35-35-70.

There were some close calls but no major upsets in the 72 first round matches. Defending champion Hillman Robbins of Memphis, Tenn., Dr. Frank Taylor of Pomona, Calif., runner-up a year ago, and America's Cup member Bill Lyndman of Philadelphia fell into that category.

Robbins squeezed through to a 2-up victory over Dr. Gordon Emerson, dentist from Spring Valley, Wis.

Other Winners
Taylor won just one-up from Jack Bariteau of San Jose, Calif. Hyndman stood one down at the turn and needed a great approach shot at the 18th to save his victory.

Youthful Gary Cowan from Kitchener, Canada, fell before Jim Vickers, former National Collegiate champion from Wichita, Kan., 3 and 1.

Those advancing to today's second round included such name players as Billy Joe Patton, Charlie Coe and Rex Baxter from the triumphant Americas Cup team, Bill Campbell, former captain of the U. S. Walker Cup team and Chuck Kocis, runner-up for the National title two years ago.

Ward and 55 other golfers drew byes for the first round, leaving 64 second round matches to be played at 18 holes today.

DUPAS TRIES FOR AKINS BATTLE

NEW ORLEANS (AP)—Slick boxing Ralph Dupas started the chant today for a crack at welterweight champion Virgil Akins' title but admitted he needed another bout or two before pressing his claim.

Dupas, the No. 6 contender from New Orleans, returned to action Monday night after a four month layoff and posted a 10-round decision over unexpectedly tough Johnny Gorman, 22-year-old New Yorker.

Judges Frank Kercheval and Pete Gairruso had Dupas a 7-3 winner. Referee Eddie Wolfe had Dupas the winner 6-3-1. The AP card agreed with Wolfe's.

"I think I'm back on the road now," Dupas said. "I was satisfied with my showing. I want to meet Akins and I'll be ready for him or anybody else after a couple of fights."

The victory was the 69th for the 22-year-old Dupas who has lost only eight and fought six draws. Gorman took his eighth setback against 28 victories.

OWLS TO START FIVE VETERANS FRIDAY NIGHT

Gettysburg High School's football team will be gunning for its first victory over Westminster since 1953 when the Warriors clash with the Owls at Westminster in the season's opener Friday evening.

The game will mark the 10th in the series. Gettysburg holding a 5-4 edge. Westminster has won the last four clashes, winning last year 25-13.

Despite heavy losses via graduation last year, Coach Herb Ruby's outfit is expected to be a severe test for the Warriors.

Seventeen seniors, 16 of whom were lettermen, were lost to the Owls.

Coach Ruby has five lettermen remaining and all are scheduled to be in the opening lineup.

Probable Starters
The entire backfield will be composed of lettermen including Don Martin, 165, quarterback; Mervin Baust, 165, and Mike Smelser, 155, halfbacks, and James Shaeffer, 160, fullback.

The other veteran is Wayne Caple, 6-2, 175, who will hold down a wing position.

Completing the starting lineup will be Sterling Haines, 6-2, 175, end; Ken Helmig, 175, and Harry Lee, 190, tackles; Nick Samios, 165, and Wayne Matthal, 170, guards, and James Helm, 175, center.

Kickoff time Friday evening is 8 o'clock.

ADVANCE PLANS FOR BUCKNELL, BULLET GAME

Additional plans for the Gettysburg-Bucknell football game to be played at Hershey Stadium on Saturday evening, September 27, were made at a meeting of about 40 representatives of Gettysburg, Bucknell, press and radio with Harrisburg Rotary Club officials Monday evening.

Since the inception of the annual Chocolate Bowl game a total of \$54,770.66 has been raised for the Rotary Club Foundation for distribution among 21 personal service agencies, health agencies, recreation and charter building organizations and other groups.

Howe Odell, new Bucknell coach, and Gene Haas, starting his second year as Bullet mentor, spoke briefly. Odell said of the new blocking rule which permits use of but one arm, "I sympathize with the officials." On the new extra point rule Haas said, "Ridiculous."

Odell said the Bisons will have a fine spirited team this season with a respectable first team but short on substituted. Dave Yohn, as good on the offense and defense with George Griener, halfback, as the Bullets' biggest threat.

WORLD ON WHEELS

By Floyd Clymer

Air-cooled engines are coming back — I am going right out on a limb and state that, in my opinion, American-built cars powered by air-cooled engines will again be seen on the highways of America.

Time was that the U.S. car buyer had a choice of many early cars that were air-cooled. Several foreign makes of cars today are air-cooled — the best known, of course, being Volkswagen and Porsche of Germany. Other famous air-cooled foreign makes include the 2cv (cv is French for horsepower) Citroën and the 2-cylinder French Panhard.

The most expensive and luxurious of all air-cooled cars is the famous Tatra built in Czechoslovakia. Tatra is named after a mountain range in that country and Tatra has built air-cooled cars for many years. The latest model is a unique V8 with air-cooled engine of overhead valve construction. This is a luxury car which should sell in this country for a little less than a Cadillac, Lincoln or Imperial.

Franklin Most Famous

There were some 110 different makes of air-cooled cars manufactured in the United States throughout the years — best known, of course, being the Franklin. All Franklin cars built during their many years were air-cooled. Franklin won many important economy contests, endurance runs, and built a wide reputation as a dependable and economical car to operate. During the years Franklin many times demonstrated the qualities of their air-cooled cars by driving long distances with the car sealed in low gear. In later model Franklins the air was drawn through the front of the hood into a large duct or tunnel and suction from a rear fan would draw the air around each individual cylinder.

Throughout the years air-cooled engines have been noisier than water-cooled engines. Actually, the water-cooled engine is just as noisy, but the water jackets on the water cooled car deadens the sound.

Air cooling has long been satisfactory in many types of industrial engines, motorcycle engines, aircraft engines and even for lawn mower use.

was cut off, due to overheating troubles. We now have much better oils, pistons, piston rings and spark plugs, and a better knowledge of metallurgy, so that these troubles would be eliminated by modern engineering practices.

Air-cooled powered cars also won many important races in early days, such as the Los Angeles to El Paso and San Diego to Phoenix Road Races — many of which were won by pioneer racing driver Ralph Hamlin of Los Angeles. Ralph also handled Franklin cars from the very first until they were discontinued. "Cannonball" Baker, the famous veteran driver, also established many records with Franklin air-cooled cars, such as Pikes Peak, many inter-city records and trans-continental records.

1933 Chevrolet

As early as 1933 Chevrolet built an air-cooled car but for unknown reasons (many felt it was patent complications) they called in so 200 cars with air-cooled engines that were in dealers' hands. Chevrolet advertised it as the "copper-cooled" Chevrolet in view of the fact that the fins to assist in air cooling the cylinder were of copper and actually welded to the cast iron cylinder block.

Other famous U.S. cars powered by air-cooled engines include the Waterless Knox manufactured in Springfield, Mass. This one really went all out in efforts to put over the idea of air cooling. Their slogan was "Zip! went the spark. On flew the Knox. Were never folks so glad?" They also stated that the Knox was "The car that obviates the tow." They described the unique air-cooling system as follows, "The Knox patent system of air cooling consists of corrugated fins on the exterior of the cylinder in connection with a air blast produced by a fan. The corrugated fins surrounding the cylinder are two inches in length, and are screwed into the surface of each cylinder. THEY RADIATE THE HEAT and make it possible to obtain 32 square inches of heat radiating surface per square inch of outside surface of cylinder surface. This is about four and one-half times that obtainable with the ordinary type of air cooled cylinder with cast flanges." They also went on to say that Knox engines do not overheat in the summer. Their selling pitch was about as complicated as any I have ever read but, nevertheless, the Knox was quite a dependable car in its day. Only last year a Mr. Johnson of Springfield, Mass., toured Europe in a one-cylinder Waterless Knox that had been completely restored so that probably it was in better-than-new condition. At one time Knox manufactured a car with an air-cooled engine known as the Porcupine engine, inasmuch as small metal needlelike plugs were screwed into the engine in order to dissipate heat.

The high-wheeled Holman, selling for \$550, was an air-cooled car; as was Sears, Roebuck's high-wheeler, which sold for as low as \$395 complete and with a 30-day guarantee.

Farwell Was Unique

Among the most revolutionary and unique air-cooled cars was the Adams-Farwell built in Dubuque, Iowa. This car had a five-cylinder, revolving, air-cooled engine mounted under the rear seat.

THE DRIVER'S SEAT

Every now and then the foibles of drivers and driving ought to be set down in a printed list so we can see those we can do without. Here are a few nominations as seen from the driver's seat:

Highway signs at a fork in the road that say "Route 14" and clarify it with an arrow pointing toward each fork.

The big shot in the long, low

ed under the rear seat.

Henry Wing of Greenfield, Mass., who now manufactures the famous Wing Mailer used by most small town newspapers, built a midge powered with a Henderson air-cooled motorcycle engine. Another air-cooled engine car was the Frayer-Miller built in Columbus, Ohio. Capt. Eddie Rickenbacker, as a young man, was one of the early test drivers for this concern. Most of the 110 different makes of Cyclo cars, manufactured from 1912 to 1915, were air-cooled.

Charles E. Duryea manufactured a few models of air-cooled cars — and some makers such as the Corbin Company of New Britain, Conn., for a time manufactured both air and water cooled cars. Some two-cycle cars such as the Chase were air-cooled.

1922 Air-cooled Cars

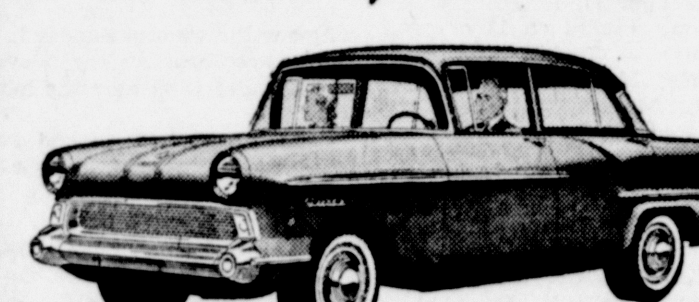

As late as 1922 two high-priced air-cooled cars were manufactured, one of which was the Canton, Ohio, built Holmes, which was supposed to be an improved Franklin. This car sold in the high-priced bracket, as did the Fox air-cooled car which was advertised as "the powerful and beautiful air-cooled car" built in Philadelphia by a firm which also manufactured firearms.

Spacke of Indianapolis built a small air-cooled car powered by a two-cylinder motorcycle engine. Henry Ford even built some air-cooled experimental cars but they never got into production.

We have heard a lot about the possibilities of gas turbine engines being the next development — but keep your eye on the air-cooled situation insofar as future developments of U.S. cars are concerned. Chevrolet is already experimenting with an opposed, flat six, air-cooled engine as a possibility in their concept of a lightweight car. American Motors Corp. has for many months been experimenting and developing a V4 air-cooled engine for possible use in the Metropolitan.

3 "I's" Cause Traffic Mishaps

By JEANNE SMITH
Dodge Safety Consultant

Only two per cent of all automobile mishaps are true accidents, according to police officials in Berkeley, Calif.

In fact, police there no longer use the term "accident." Instead says Sergeant

George A. Rennacker, they refer to those mishaps involving cars as "caused occurrences," resulting from the three "I's" — Indifference, Incompetence and Irresponsibility.

Rennacker, Berkeley's veteran police traffic expert, keeps comprehensive accident reports to substantiate his claim that the three "I's" cause 98 per cent of all mishaps.

Reports Show Ratio

And, he says, these reports also show that there is a ratio between law enforcement and traffic mishaps—the more tickets, the less accidents—and, conversely, the less tickets, the more accidents.

"There seems no question that motorists will drive more carefully and avoid accidents," Rennacker says, "if they feel the police department enforces its traffic laws strictly."

Therefore, he has set a policy of strict law enforcement as a major solution to traffic problems. As an example, Berkeley has used radar as a traffic law enforcement tool for five years with rewarding results. Last year, 5,588 speeding citations were handed out as a result of radar checks.

Within a few days after radar check points were set up in a specific locale, speeds decreased and "caused occurrences" dropped

People who cluck over the traffic toll, then make a right-hand turn from the left hand lane. Dogs on the front seat where they can bother the driver.

Accident Prone

Psychologists who tell you're "accident prone" because you regularly bang your thumb with a hammer.

Sports car drivers who make sport of safe driving.

People who flash their turn signals only after they have started to turn.

Warning signs that aren't reflective and you can't see after dark.

Women drivers who live up to the reputation.

Men drivers who blame the traffic situation on one thing: women drivers.

Street Name Signs

Street name signs painted on curbstones.

The illusion that safety devices alone make automobiles "safe."

Couples who turn the driver's seat into a love seat while driving down the highway.

The neighborhood car fixer who makes a shambles of your car-buretor.

Safety slogan contests. It's time we start practicing driving safety, not just talking about it.

START DESERT ATOMIC TESTS IN NEXT WEEK

WASHINGTON (AP) — The United States, with its 1958 nuclear tests in the Pacific completed, starts next week an abbreviated series of atomic tests in the Nevada desert.

The Atomic Energy Commission announced the end of the test firing of nuclear weapons at the Eniwetok Proving Ground in the Pacific. It gave few details beyond calling the tests successful.

A few hours later the commission gave out a few details of the forthcoming Nevada test series which the AEC said Aug. 29 calls for only 10 test shots, all of them relatively small.

First From Balloon

The first test, expected about Sept. 15, will be fired from a balloon. The second, set tentatively

—because drivers knew the police were on the job.

In view of the success he has had in Berkeley, Rennacker offers this safe driving suggestion: "Always drive as though there were a motorcycle officer behind you."

for about Sept. 25, is to be detonated atop a 50-foot tower. This would be the lowest firing platform ever used on the Nevada grounds, 90 miles northwest of Las Vegas.

The AEC said about half the shots will be in deep underground tunnels but that none of these is scheduled before Oct. 8.

All the shots are to be concluded by Oct. 31, the date proclaimed by President Eisenhower for a one-year suspension of nuclear tests. Oct. 31 also is the date

tentatively set for the beginning of East-West talks in Geneva, Switzerland, on the banning of tests. Both the United States and Britain have offered to end testing for a year on the commencement of the talks if the Soviet Union continues its own test ban.

All the shots are to be concluded by Oct. 31, the date proclaimed by President Eisenhower for a one-year suspension of nuclear tests. Oct. 31 also is the date

tentatively set for the beginning of East-West talks in Geneva, Switzerland, on the banning of tests. Both the United States and Britain have offered to end testing for a year on the commencement of the talks if the Soviet Union continues its own test ban.

BACKS MERIT SYSTEM FOR HIGHWAY DEPT.

SHARON, Pa. (AP) — Arthur T. McGonigle today pledged to implement the recommendations of a non-partisan group which studied the State Highways Department if he is elected governor.

The Republican candidate, in letters to two prominent civic leaders in Pittsburgh and Philadelphia, called the report by the Automotive Safety Foundation "an excellent, objective document."

McGonigle said he "strongly favors the extension of the merit system, with appropriate job security, in the Department of Highways, advance acquisition of highway routes, especially in the areas of rapid population growth... the proposal for a statewide analysis of highway needs... strengthening of the planning function of the Department of Highways."

Notes "With Astonishment"

He said he favors the foundation's suggestion that a chief engineer post be created in the department in favor of its alternate proposal that a part-time highway commission be set up.

"I note with astonishment the statement in the report that 'the Pennsylvania Department of Highways has more employees than any other in the country,'" McGonigle said. "This fact, coupled with our knowledge that by far the major portion of highway personnel are unskilled in highway planning, construction and maintenance, underscores the urgent need for drastic reorganization of our highway department. Present practices, regardless of their past and present value to political organizations, constitute a wasteful and unsupportable burden to the taxpayer."

The letters released by McGonigle were addressed to Henderson Supplee Jr., co-chairman of the Greater Philadelphia Movement, and A. W. Schmidt, president of the Allegheny Conference on Community Development.

The commission said Monday Bell failed to prove need for the boost at a series of hearings on the proposal.

The increases were to have gone into effect last Dec. 13, but were suspended while the commission investigated their reasonableness.

Bell wanted to raise the charge for installing residence telephones to \$7 from \$4.25 in Philadelphia and Pittsburgh, and \$4 elsewhere in the state.

The charge for business phone connections would have been raised to \$10 from \$8 in Philadelphia and Pittsburgh, and \$7 elsewhere.

Formosa Is Scene Of Military Maneuvers

By JAMES CARY
Invasion Beach Panglao, Formosa (AP)—American and Chinese Nationalist Marines stormed ashore here today in a battle-ready amphibious war game. The exercise is being staged only a little more than 100 miles from the Quemoy Island front.

Under protective guns of the U.S. 7th and Chinese fleets, seven waves of troops, tanks, guns and heavy equipment struck shortly after dawn on a 2,000-yard front against a mythical enemy entrenched near the southern tip of Formosa.

Church Choir Singer, Ex-Tomboy From Mississippi Is "Miss America"

ATLANTIC CITY, N. J. (AP)—A winsome brunette who sings in a church choir and used to be "the biggest tomboy you've ever seen" today wears the crown of Miss America 1959.

Mary Ann Mobley of Brandon, Miss., was resting up in a New York City hotel after a hectic week of competition in the oldest national beauty pageant in America.

The week ended in triumph for the 21-year-old college senior Saturday night when she was named the new Miss America before a capacity Convention Hall crowd of 17,000 and a nationwide television audience.

Lost Out Last Year

The 5-foot-5 Southern belle, who has brown eyes and an olive complexion, burst into tears after she was crowned by the outgoing queen, Marilyn Van Derbur of Denver, Colo.

"It might sound trite, but I had no idea of winning—no idea at all," she later told newsmen. "I feel very inadequate. It's something I can't even comprehend."

Winning the title had a special significance for Mary Ann. She lost out last year as Mississippi's entrant in the pageant.

Mother Missed Ball

The new Miss America, who weighs 114 pounds and measures 34½-22-35, began her reign by attending the coronation ball early

Sunday morning. Her escorts were West Point cadets Victor Lettoff and Charles P. Ostott.

Two rather interested people never got to the ball. Mary Ann's mother and her attorney-stepfather, Mr. and Mrs. David Williams, were tied up answering long-distance telephone calls from well-wishers.

Mary Ann is studying speech and English at the University of Mississippi and hopes to become an actress. She plans to use the \$10,000 she received as winner of the pageant toward that end.

Not Always Beautiful

In addition, the new Miss America receives about \$140,000 in personal appearance fees and other prizes.

Mary Ann, who sings in the choir at Brandon Methodist Church, readily admits that she wasn't always a beauty.

"I had pigtails until I was 8, and then I had scarlet fever and my hair fell out. I wore braces on my teeth for four years."

As for romance, she said: "I've been lucky enough to date several nice young men, but I've never been married. I'm working on one though."

"Miss Iowa" Second

She declined to give his name. The girl who won second place in the pageant, Miss Iowa, Joanne Lucille MacDonald, 20, of Ames, belongs to Chi Omega, the same

Housewife Proves Woman Drive Adage

JOPLIN, Mo. (AP)—Mrs. Earl D. Pope wanted a piggy bank she couldn't shake money out of until she was ready to pay her tuition at Joplin Junior College.

She thought of the gas tank of her car.

Mechanics took it off this week and removed \$85 in small change. This was more than enough for the enrollment fee.

Also for the \$5 the mechanics charged for removing the tank.

CONTAGIOUS HOBBY

DUNCAN, Okla. (AP)—Kenneth Moore didn't know what he was getting into 11 years ago when he agreed to take care of a couple of his son's pigeons when he went off to college.

Moore got interested in the birds and began raising them as a hobby. He now has more than 300.

Moore's son, John, received a \$3,000 scholarship. Third place went to Miss Oklahoma, Anita Bryant, 18, Tulsa, who received a \$2,500 scholarship.

Miss California, Sandra Lee Jennings, 18, Riverside, got a \$2,000 scholarship for placing fourth, and Miss North Carolina, Betty Lane Evans, 18, Greenville, was fifth, receiving a \$1,500 scholarship.

1 Dead, Honeymooners Injured In Car Crash

COLUMBUS, Ohio (AP)—Ralph Lewis Huston, 30, of Columbus, was killed and a Pennsylvania couple on their honeymoon injured Sunday when their automobiles collided on U.S. 40 just east of here.

Injured and reported in fair condition at Grant Hospital here are Andrew Pronay, 24, and his wife, Alwine, 21, of Centre Hall, Pa. The Pronays were married Saturday and were en route to Pennsylvania, hospital authorities reported. Sheriff's deputies said Huston, driving at a high rate of speed, apparently lost control of his car. It swerved into the eastbound traffic and collided with the Pronay auto.

SANTA MONICA, Calif. (AP)—A new kind of plainclothesman paid off for Santa Monica police. Officers staked out in swim trunks arrested 20 persons in a weekend campaign against parking meter cheaters at the beach.
